Casey-Gebhart.

The ceremony which united in marriage James P. Casey and Miss Bertha Gebhart, daughter of Mr. and Mrs. H. G. Gebhart of this city, was celebrated last evening at the home of the bride's parents, in the presence of over 100 guests.

The house was beautifully decorated for the occasion. Promptly at 7 o'clock Miss Tressa Winship began playing the wedding march and immediately the bride entered on the arm of the groom, preceded by the ushers, maid of honor and best man, and took their places under a large floral bell. Father Leibecker, of Norton, then performed the ceremony, which was very beautiful and impressive.

The bride was beautifully attired in a dress of white corded silk, made en traine. She wore a long veil which completely covered the dress and carried a bouquet of white carnations. The maid of honor wore a dress of pink silk and carried a bouquet of pink carnations. Miss Lizzie Gebhart, sister of the bride acted as maid of honor and was escorted by Edward Lynch, who acted as best man. The ushers were Messrs. Ralph Winship and Ross Gebhart.

After congratulations had been extended the guests repaired to the dining room where elaborate refreshments were served.

The bride is well known in this city having resided here for several years past and will undoubtedly make a worthy helpmeet for the man she has chosen for a companion through life. The groom is a man of good moral habits and is respected by all who know him. KANSAS DISGRACED.

The negro, Fred Alexander of Leavenworth, who attempted to assault Miss Eva Roth a few days ago and who was suspected of the assault and murder of Miss Pearl Forbes Nov. 6, was taken from the jail Tuesday afternoon and burned at the stake. More than 8,000 people witnessed the horrible proceedings. The negro protested his innocence to the last. Sheriff Everhardy seems to have been as much to blame as any of the lynchers.

Kansas people have been foremost in their denunciation of negro lynchings in the south, but even in he worst of southern outrages there has usually been absolute certainty of the victim's guilt. In this case, however, there was no certainty as to the crime of murder, but only a suspicion. The affair is certainly a most disgraceful one and a blot on the fair name of the state.
